suspect that the applicant is less than fully ethical, professional, or qualified for licensure. NEW BUSINESS

26. 2017-2018 Annual Regulatory Plan

Each agency under the direction of the Governor shall submit to the Office of Fiscal Accountability and Regulatory Reform (OFARR), an annual regulatory plan that shall identify and describe each rule that the agency expects to begin promulgating during the next twelve-month period.

Prior to the board/council meeting, please review the rules and be prepared to note any rules you would like added to the 2017-2018 plan.

In general, the plan should include any rules the board/council plans to amend during the upcoming year. Staff recommends that all application rules be added to the plan as changes to the application are often needed and cannot always be anticipated.

If a rule is not included and a subsequent need to change the rule arises, the board/council is not prohibited from making needed changes, conversely simply placing a rule on the plan does not require rule development be undertaken.

It is suggested the board/council delegate to the Chair the authority to approve the plan completed by the attorney subsequent to this meeting.

Following discussion, Ms. Mary O'Brien moved to delegate authority to the Chair to approve the plan completed by Board Counsel. Dr. Dean Aufderheide seconded the motion, which carried 6/0.

Following discussion, Dr. J. Drake Miller moved to include the application forms and the disciplinary guidelines in the Annual Regulatory Plan. Dr. Andrew Rubin seconded the motion, which carried 6/0.
